## Tempest Photography

Our fantastic photographer will be visiting the nursery to snap your family photos on:

Monday 29<sup>th</sup> April

We look forward to seeing you and any siblings on the day. If your child/ren usually attends this day we will ensure their photos are taken if you wish. For children who do not attend you are more than welcome to pop on in. Please speak to your nursery manager.

*Photos of the month:*

We are really excited to share with you that Kim will be returning to work on the 29<sup>th</sup> April, from Maternity leave after having her beautiful daughter Pearl.

Kim will be working alongside all existing staff in the 2-3's room

**Summer, summer, Summer Time.....**

We can provide children with sun cream this year. It is Soltan Baby Factor 50+ please speak to your child's key worker to fill in the permission slip and pay £10 for a year's supply of nursery sun cream.

As the weather is getting much warmer, we ask for a sun hat to be brought in each day to protect your child from the strong sunshine.

## Babies

The children have had lots of fun within the baby unit, they have been making Easter cards exploring using paint and lots of glitter. They also made chocolate Easter nests to take home and enjoy with their family.

We have been exploring different sounds, using musical instruments at circle time and listening to instrumental music.

Please can we remind all parents to pop a sunhat in the bag now the sunshine is here? ☺

## 2-3 room

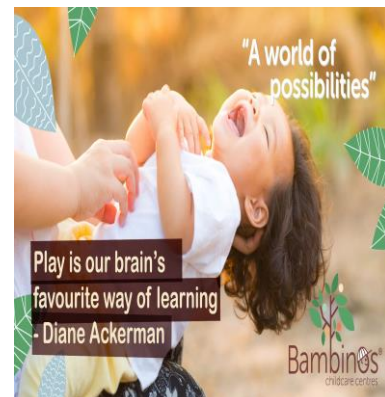

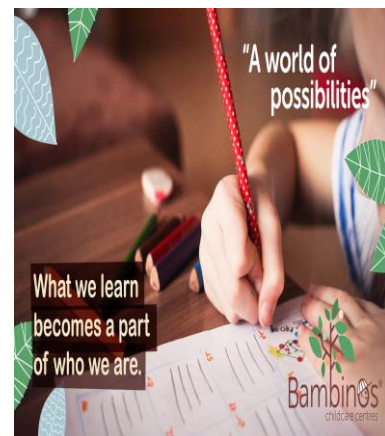

In the 2-3 room the children have enjoyed making natural playdough, they have enjoyed helping mix all the ingredients together and making their own bit of dough to play with.

We have been using lots of mathematical language like greater than, less than, and equal to.

The children have enjoyed Easter crafts, making bonnets and decorations for our garden Easter egg hunt.

## Pre- School

In the Preschool room the children have had lots of fun exploring mark making with paints, using blocks, cars and animals to observe the different marks. We have been concentrating on the letter S, using our fingers to create the letter S and completing worksheets. The children have enjoyed playing outside in the garden, they have been using brushes and water to create marks, hand prints and writing their names on the walls and floor in water. In the willow tree room they have been exploring sizes of different vegetables exploring different textures, taste and using equipment safely.
