

May 2019 Newsletter

We would like to invite all of the children to bring in their favourite story throughout May to share with the rest of the children in the rooms, the staff will also be sharing their favourite children's stories too, we will be doing activities throughout the month based around our favourite stories too. The children can also dress up as their favourite character if they want too.

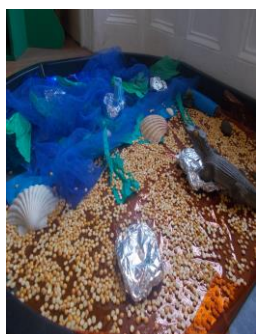

Tempest Photography

Our fantastic photographer will be visiting the nursery to snap your family photos on:

Monday 13th May @930am

We look forward to seeing you and any siblings on the day. If your child/ren usually attends this day we will ensure their photos are taken if you wish. For children who do not attend you are more than welcome to pop on in. Please speak to your nursery manager.

Photos of the month:

Space Day

We would like to invite all of the children to come into nursery dressed up on Friday 3rd May to celebrate national Space Day.

The children will all be doing lots of crafts to celebrate and the older children will be learning all about space and the planets and having a go at making their own planets.

Suncream & Hats

Please can we ask that all children are bringing a hat to nursery with them each day so we can make the most of the nice weather, unfortunately we only have a few spare within the nursery.

We are able to provide a nursery suncream which is; **Boots sultan kids sensitive protect factor 50+ suncream** for a small charge or you are able to provide your own which would need to be kept at the nursery or brought in each day.

The staff will be getting you to fill out a form within the next few weeks to ensure all children are covered.

Term Dates are as follows;

May half term is Monday 27th May - Friday 31st May

Summer holidays start w/c 29th July so the last day of term was Friday 26th July

We are closed on Monday 6th May for the bank holiday and Monday 27th may for the other bank holiday.

Pear Tree Class

In the baby room over the last few weeks we have been looking at a different book each week and doing various activities around these. We have been doing lots of messy things and the babies have all enjoyed using all of their senses to explore.

Throughout May we will be enjoying our beautiful outdoor area and trying to learn a new song with actions.

All of the babies enjoy using the sensory room looking at all the interesting objects, they have loved looking at their reflections and all of the shiny objects, boxes and various materials.

We are hoping to do some teddy bear picnics within the month.

Willow Tree Class

Within the 2-3's room we are going to be introducing a new special bear which will be going home with each child to have a great adventure with, he will have a special book for you to add photos to show all of the fantastic things you do on the weekend.

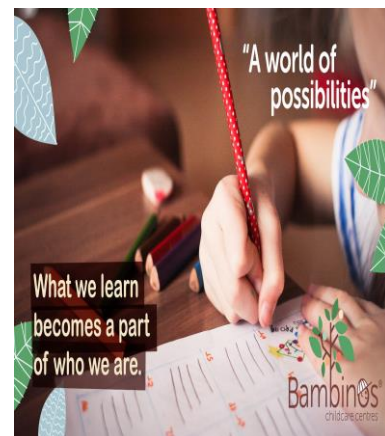

We have been learning about insects and bugs and will be making crafts to do with bugs and doing a bug hunt in the garden to see what we can spot outside.

We have enjoyed celebrating Easter and making wonderful Easter Bonnets!

Oak Tree Class

Within pre-school we have introduced our playdough disco where we sing songs and use our fingers to manipulate the playdough with our fingers and hands, this includes rolling, and squeezing and pinching this is great for their fine motor skills.

In the garden we have been making the most of our new bamboo water shoots and learning all about quantities such as big, little, more, less. We have been pouring the water and learning how to be steady and learning about travelling and where things can end up.
