

# August 2019 Newsletter

## Term Time Dates

Grant funded – 2<sup>nd</sup> September 2019 till 13<sup>th</sup> December 2019

Stretched funded – 2<sup>nd</sup> September 2019 till 20<sup>th</sup> December 2019

### Summer holidays

We hope everyone has a lovely summer holiday, hopefully with lots of sunshine.

Also we would like to remind everyone we do offer holiday club sessions and if you require any please contact your manager.

---

### Water Bottles

We have Bambinos water bottles available to purchase at all sites for just £3. Please speak to your nursery manager to order one today.

*Bambinos Community Cupboard*

## Bambinos Community Cupboard

We have created our 'Bambinos Community Cupboard'.

The idea behind it is that families from our nursery and community can 'take what they need and give what they can'.

We are hoping our families use items that they may need in their household, if they are in a rush they can grab an ingredient for dinner, or what they need to make a cup of coffee. We hope our wider community uses it in the same way! We are promoting community and togetherness, but also working to minimise wastage. We can't wait to see how the community cupboard is received by everyone and we hope it inspires people to help each other and reduce waste.

---

We are delighted to be rated a 9.9 on  
[daynurseries.co.uk](http://daynurseries.co.uk)!

If you have not already done so, please review us on both [daynurseries.co.uk](http://daynurseries.co.uk), Google and our Facebook page Bambinos Childcare Centres.

Your feedback is much appreciated.

## Baby Unit

This month we are going to be looking at the different animals which can be found in the sea.

We will also be painting using a variety of different shells and stones to see what marks and different shapes we can make.

The children will also be feeling the different textures with the stones and shells developing their awareness around them.

---

## 2 - 3's Room.

This month we will be looking at different fruits that grow during the summer. We will be tasting the fruits throughout the month and exploring the different colours and shapes of the fruits.

As part of learning about the different fruits we will be planting our own fruit seeds and see if we grow them. During circle time we will be learning about what foods are healthy for us and keep us strong.

---

## Pre - School unit

This month we will be continuing to prepare the children for school. We will be talking about school and what to expect during different day to day activities in school.

We will be doing lots of fun and exciting craft activities and games before taking our next learning journey into school.
