

August 2019 Newsletter

Mango Spice

On Wednesday 14th August at 4pm we will be celebrating our annual mango spice celebration.

We will be learning some salsa moves and learning about Cuba and the culture.

The children will also be making fruit kebab's to try different fruits and explore their senses further.

Bug ball

Throughout august the younger children will be learning about different bugs and the ways they move, at the end of the month we will be having a bug ball where the children can dress up as their favourite bug, this will be on Wednesday 28th August

Water Bottles

We have Bambinos water bottles available to purchase at all sites for just £2.50. Please speak to your nursery manager to order one today.

Photos of the month:

Bambinos Community Cupboard

Bambinos Community Cupboard

We have created our 'Bambinos Community Cupboard'.

The idea behind it is that families from our nursery and community can 'take what they need and give what they can'.

We are hoping our families use items that they may need in their household, if they are in a rush they can grab an ingredient for dinner, or what they need to make a cup of coffee. We hope our wider community uses it in the same way! We are promoting community and togetherness, but also working to minimise wastage. We can't wait to see how the community cupboard is received by everyone and we hope it inspires people to help each other and reduce waste.

We are delighted to be rated 9.8 on
daynurseries.co.uk!

If you have not already done so, please review us on both daynurseries.co.uk and our facebook page Bambinos Childcare Centres.

Your feedback is much appreciated.

Baby Unit

Throughout the month we have noticed that the babies have been showing a lot of schema traits, eg enveloping, enclosing, transporting. By posting toys through holes, stacking objects, hiding under blankets, moving objects around the room.

Th children have all enjoyed lots of sensory play with lentils, pasta and gloop and adding toys to it to expand on play and adding words.

We have been having a big focus on using cutlery as a lot of the babies have shown a lot of interest and have made fantastic progress feeding themselves.

2 - 3's Room.

We have been having lots of fun in the garden enjoying water play, pouring water along the bamboo shoots and using pipettes to squirt lots of water and learn about measurements and quantities.

We have been doing lots of heuristic activities using leaves and grass to create pictures and caterpillars.

A lot of our circle time focus has been on the seasons and learning about how so keep safe and cool, how we are able to help control our own temperature and what we should wear in the seasons and what we can expect to see and feel.

Pre - School unit

Throughout the holidays we have lots of cooking activities planned such as bread making, jam tarts, vegetable tarts and quiches.

We have been doing lots of investigating with different materials, learning about shadows with our projector & adding different components such as lace, beads, leaves, cds.

For the younger pre-schoolers we have been exploring shapes, measuring and times, learning with the clock and the sun.

Upcoming Events

Wednesday 14th August - Mango Spice

Wednesday 28th August - Bug ball
