

# August 2019 Newsletter

## *Carnival Time*

Throughout the month of August the children will be getting into the Carnival spirit!

Notting Hill Carnival takes place in August every year, this is the biggest carnival in Europe where around a million people take to the streets of West London for the Carnival. Fabulous floats make a colourful circuit of the area and music is played all day.

The children will be dancing to carnival music, learning about different cultures and making lots of crafts related to the carnival this will help to further develop the children's Understanding of the world.

We hope that you will join in with the carnival spirit and talk to your child about the carnival activities they have participated in.

*Bambinos Community Cupboard*

## Bambinos Community Cupboard

We have created our 'Bambinos Community Cupboard'. The idea behind it is that families from our nursery and community can 'take what they need and give what they can'.

We are hoping our families use items that they may need in their household, if they are in a rush they can grab an ingredient for dinner, or what they need to make a cup of coffee. We hope our wider community uses it in the same way! We are promoting community and togetherness, but also working to minimise wastage. We can't wait to see how the community cupboard is received by everyone and we hope it inspires people to help each other and reduce waste.

## Pear Tree Class

The children have been having lots of fun exploring in the outside environment, exploring the sounds they can hear from the birds to the trees and even the cars driving past. This helps to further develop the children listening and attention.

Vilma has enjoyed meeting all the children and getting to know them better over the last couple of weeks, they have enjoyed lots of messy play activities together whilst developing their Personal social development - Making relationships.

---

## Willow Tree Class

The children have been really exploring books recently, they have been showing an interest in the characters and choosing their favourite stories to share with their friends, this furthers the children's knowledge and understanding of the world.

The children have also been quite imaginative through mark making in different ways, painting, printing, sand play and playdough, promoting their physical development and being imaginative.

## Oak Tree Class

The Children have been preparing to say farewell to their friends who will be leaving shortly to start school, Graduation was a great success with hard work from the children and the Pre-school staff we hope you enjoyed it and thank you all for coming.

Throughout the coming weeks we will be continuing to promote independence with the younger children writing their names, choosing activities and setting the tables for mealtimes, this is a great opportunity to do these things at home as well.

Pablo the pufferfish is the new class mascot and he will be making his way home with each of the children over the next term.
